

## **Day 237 – Thursday, November 12**

Dear readers, today's message is simply a little fun. Someone sent me this wonderful video of someone singing the demerits of Corona. It is very good.

And a little humor/wisdom

### STAND UP AND BE COUNTED

When Khrushchev pronounced his famous denunciation of Stalin, someone in the Congress Hall is reported to have said, "Where were you. Comrade Khrushchev, when all those innocent people were being slaughtered?"

Khrushchev paused, looked round the Hall, and said, "Will the person who said that kindly stand up!"

Tension mounted in the Hall. No one moved.

Said Khrushchev, "Well, whoever you are, you have your answer now. I was in exactly the same position then, as you find yourself in now."

"Life should NOT be a journey to the grave with the intention of arriving safely in an attractive and well-preserved body, but rather to skid in sideways, chocolate in one hand, champagne in the other, body thoroughly used up, totally worn out and screaming "WOO HOO what a ride!" (Hunter S. Thompson)
